Riverwest Neighborhood Association

'VOICE IT, FACE IT—TOGETHER'

A neighborhood art exhibit scheduled for ARTWALK 2012

Workshops to create for the exhibit going on now: **March & April: Fri: 5-7pm, Sat: Noon-4pm; Sun. Noon-2pm**

During the re making of donor and volunteer names at Snail's Crossing eARTh site, everyone will have the opportunity to create a portrait tile, (which will be theirs after the exhibit), a pendant (to take right away) and a foot tile for the park with their name and date on. The cost for this 3 workshop series is \$ 25. per person. We do hope that you will want to help with making the thousands of texture and embellishment tiles for the walkway as well, glaze tiles and simply enjoy your neighbors. **Friday nights are reserved for adults only.**

Voice It: write your thanks, encourage others with positive energy.

A design has been approved to avoid future water expansion and contraction in the donor section of the walkway.

Mosaic designs will be sought and community involvement encouraged. Please come and help the best way you can.

Pet Face tiles by Glenda Puhek to benefit the park \$ 30.

Bring a photo of your pet anytime during the workshops.
